

## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination in hospitality, commercial and residential applications. Ideal for use in common areas, lobbies, foyers, hallways, corridors, living rooms, bedrooms, offices, restaurants, stairways and more.

### CONSTRUCTION

The Atry Collection features an LED light source surrounded by a fabric-covered drum for a contemporary look. Available in any number of combinations, the Atry collection is made up of three sizes, six shapes and a variety of fabric designs. The small drum is suitable for ceiling mount or wall mount as a sconce.

### OPTICS

Available in three different lumen packages, the drop saucer delivers between 600-1,600 lumens (determined by fabric/size selection).

### ELECTRICAL

Fixture operates at 120 volts, 60Hz. Standard input = small, 9 watts; medium, 16 watts; large, 24 watts. Compatible with AC phase control dimmers.

Works with most standard incandescent dimmers (see list of approved dimmers).

### INSTALLATION

All mounting hardware included for mounting to a standard junction box. The small drum is suitable for ceiling mount or wall mount. Medium and large sizes can be mounted flush to ceiling or to a variety of pendant options (see hanger options, page 2).

### LISTINGS

cUL Listed to US and Canadian standards and suitable for damp locations. † ENERGY STAR® certified. (ENERGY STAR certification is on LED pans FMPANL 6",11",14".)

**WARRANTY** — 5-year limited warranty. Complete warranty terms located at:

[www.acuitybrands.com/support/warranty/terms-and-conditions](http://www.acuitybrands.com/support/warranty/terms-and-conditions)

**NOTE:** Actual performance may differ as a result of end-user environment and application.

All values are design or typical values, measured under laboratory conditions at 25 °C.

Specifications subject to change without notice.

# LED Flush Mount Autry Collection

## PHOTOMETRICS

Photometric data report available within 2 weeks from request. Consult factory. Photometric data not available on all size/fabric finish selections.

## HANGER OPTIONS

See separate spec sheet at [www.acuitybrands.com/led-flush-mount-hangers](http://www.acuitybrands.com/led-flush-mount-hangers).

## ADDITIONAL INFORMATION

### SUGGESTED DIMMERS

The Autry Collection is designed to operate with most standard Triac Based dimmers and is not compatible with 0-10v dimming systems. The following is a list of dimmers tested and does not imply any guarantee or warranty of compatibility with a particular application. Unlisted dimmers do not imply non-compatibility.

Manufacturer	Part number(s)	Manufacturer	Part number(s)
Leviton	6633P	Lutron	DVELV 300P
