FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination in commercial and residential applications. Ideal for use in common areas, foyers, hallways, corridors, living rooms, bedrooms, offices, stairways and more.

CONSTRUCTION

The Aberdale Collection features a white acrylic diffuser with a cleanable linen fabric overlay for an updated traditional look.

OPTICS

The flush mount produces up to 1,545 lumens at 50,000 hours (determined by fabric and color temp - see chart below).

ELECTRICAL

Fixture operates at 120 volts, 60Hz. Standard input = 24 watts, 64 lumens per watt.

Works with most standard incandescent dimmers (see list of approved dimmers).

INSTALLATION

All mounting hardware included for mounting to a standard junction box.

LISTINGS

UL Listed to US and Canadian standards and suitable for damp locations. ENERGY STAR® certified.

WARRANTY

5-year limited warranty. This is the only warranty provided and no other statements in this specification sheet create any warranty of any kind. All other express and implied warranties are disclaimed. Complete warranty terms located at: www.acuitybrands.com/support/warranty/terms-and-conditions

NOTE: Actual performance may differ as a result of end-user environment and application. All values are design or typical values, measured under laboratory conditions at 25 °C. Specifications subject to change without notice.

ADDITIONAL INFORMATION

SUGGESTED DIMMERS

The Aberdale Collection is designed to operate with most standard Triac Based dimmers and is not compatible with 0-10v dimming systems. The following is a list of dimmers tested and does not imply any guarantee or warranty of compatibility with a particular application. Unlisted dimmers do not imply non-compatibility.
